## Tell Us How We Can Make Transit Better For You!

CAT is conducting a study and would like your feedback to recommend actions that will make transit more accessible, convenient and appealing to residents. By obtaining input from both riders and non-riders in Collier County, CAT will be better equipped to identify and serve community transit needs.

Please attend our Public Workshops either in person or virtually on these dates:

**Thursday, April 22, 2021:**

**Government Center Human Resources Training Room  
2pm to 4pm**

**Saturday, April 24, 2021:**

**Immokalee Library 10am to 12pm**
