- 10) Adjournment

Two or more members of the Board of County Commissioners may be present and may participate at the meeting. The subject matter of this meeting may be an item for discussion and action at a future BCC meeting.

Collier Area Transit operates in compliance with Federal Transit Administration, (FTA) program requirements and ensures that transit services are made available and equitably distributed and provides equal access and mobility to any person without regard to race, color, or national origin, disability, gender or age. Title VI of the *Civil Rights Act of 1964*; FTA Circular 4702.1A, "Title VI and Title VI Dependent Guidelines for Federal Transit Administration Recipients.

Anyone who required an auxiliary aid or service for effective communication, or other reasonable accommodations in order to participate in this proceeding, should contact the Collier County Facilities Management Department located at 3335 Tamiami Trail East, Naples, Florida 34112 or 239-252-8380 as soon as possible, but no later than 48 hours before the scheduled event. Such reasonable accommodations will be provided at no cost to the individual.

MINUTES OF THE PUBLIC TRANSIT ADVISORY COMMITTEE MEETING

February 15, 2022 Naples, Florida,

LET IT BE REMEMBERED, the Public Transit Advisory Committee in and for the County of Collier, having conducted business herein, met on this date at 3:00 P.M. in REGULAR SESSION at Collier County Museum Lecture Hall, 3331 Tamiami Trail E, Naples, Florida with the following members present:

Chairman: John DiMarco, III
Vice-Chairman: Peter Berry
James Bennett
Devon Browne (ZOOM)
James Caton (Excused)
Sonja Lee Samek

ALSO PRESENT: Michelle Arnold, Director, Public Transit and Neighborhood Enhancement
Omar DeLeon, Public Transit Manager, Collier Area Transit
Alexander Showalter, Senior Planner, Collier Area Transit
Jacob Stauffer, MV Transit Planner
Brandy Otero, Collier MPO
Richard Ticehurst, MV Operations Manager

1. Call to Order

Chairman DiMarco called the meeting to order at 3:00 PM.

2. Roll Call

Roll call was taken, and a quorum of four was established.

Mr. Berry motioned to allow Devon Browne to participate in the meeting via ZOOM remote access due to an extraordinary circumstance. Second by Mr. Bennett. Carried unanimously 4 – 0.

A quorum of five was present.

3. Approval of Agenda

Mr. Berry moved to approve the PTAC Agenda for February 15, 2022, as amended:

Add: 5 Committee Action - a. Committee Member Applications.

Second by Ms. Samek. Carried unanimously 5 - 0.

4. Approval of Minutes

a. October 19, 2021

b. November 16, 2021

c. January 18, 2022

Mr. Bennett moved to approve the minutes of the October 19, 2021, November 16, 2021, and January 18, 2022, Public Transit Advisory Committee meetings as presented. Second by Mr. Berry. Carried unanimously 5 – 0.

5. Committee Action

a. Committee Member Applications

In accordance with County policy, four-year term advisory committee seats of the Public Transit Advisory Committee, were advertised.

Applications received:

- James Caton
- John DiMarco

Recommendation to reappoint member James Caton

The Committee discussed Mr. Caton's application for the open position on the PTNE noting the significance of his participation and his willingness to serve.

Ms. Samek motioned to recommend the Board of County Commissioners reappoint James Caton to the Public Transit Advisory Committee for a four-year term. Second by Mr. Bennett. Carried unanimously 6 - 0.

John DiMarco

The Committee discussed John DiMarco's application for the open position on the Public Transit Advisory Committee noting the significant contribution he has made to the Committee and his willingness to be reappointed.

Ms. Samek motioned to recommend the Board of County Commissioners reappoint John DiMarco to the Public Transit Advisory Committee for a four-year term. Second by Mr. Bennett. Carried unanimously 5 - 0.

6. Reports and Presentations

a. Corporate Bus Pass Program

Mr. Showalter presented the Executive Summary “*Corporate Bus Pass Program*” noting:

- Collier County is currently the sole participant in the program eligible for employers with three hundred (300) or more employees.
- A 25% discount on the thirty (30) day pass is offered.
- Staff research revealed bus pass programs offer varying levels for business enrollment, some offering increased discounts of 10% to 30% on passes for various levels of employee participation.
- Research of other jurisdictions indicated a tax benefit to employers and employees.
- Information collected from major employers in Collier County revealed only twenty-five (25) employers qualified for the current program.
- Adoption of a program incentivizing participation via increased discounts and aggressive marketing should be considered.

Next Steps

- Develop Branding for the program.
- Develop Marketing Material.
- Develop a plan to distribute information to area Human Resource Managers and businesses around Collier County to generate interest.
- Coordinate with Commuter Services to share the material as part of the Van Pool discussions with local businesses.

The Committee discussed marketing strategies:

- Incorporate print media into the Immokalee and Marco Island bus routes information.
- Market to student and Lighthouse ridership.
- Target specific industries such as hotels or restaurants.
- Distribute materials to the SWFL Society for Human Resource Management (SHRM).

Staff responded to Committee comments noting:

- Marketing efforts will commence on receipt of endorsement from the Advisory Committee.
- The success of the marketing outreach program will be continually monitored and if not successful consideration will be given to modifications to the program to include more incentives.

Recommendation

The Advisory Committee unanimously recommended Public Transit & Neighborhood Enhancement Division move forward with increased promotion of the existing Corporate Pass Program.

b. TDP Actionable Objectives

Mr. Showalter presented the Executive Summary “*TDP Objectives – Actionable Items*” and updated the Committee on the Transit Development Plan (TDP) Goals and Objectives. He noted:

- The Major Transit Development Plan (TDP) updated in 2020 included a series of Goals and Objectives for Collier Area Transit.
- Staff is soliciting ideas regarding goals and objectives that would be actionable in the next year.

Five Goals Identified as a 2022 Planning Focus & Performance Indicators

- Objective 1.5: Provide coordinated transportation services between Collier and adjacent counties to support workforce commutes to major employment centers.
 - Performance Indicator: Daily connections with LinC at Creekside.
 - Completion of Regional Study recommended by Transit Development plan.
- Objective 2.1: Provide services and programs to reduce vehicle miles traveled within Collier County.
 - Performance Indicator: Mileage of vehicles, number of active carpools and ridership.
 - COA Implementation and monitor impact.
- Objective 2.2: Design mobility services to reduce environmental impacts,
 - Performance Indicator: Number of alternative fuel vehicles, Vehicle miles traveled.
- Objective 5.1: Explore, monitor, test, and deploy technology applications to enhance mobility services, increase awareness of CAT services, and ease of access to CAT services.
 - Performance Indicator: App download count, usage of the mobile app, overall ridership.
- Objective 6.1: Develop ongoing processes to measure and monitor service quality.
 - Performance Indicator: Number of valid complaints in Fixed Route and Paratransit.
 - Service quality survey responses.

CAT's initiatives to improve regional service routes between adjacent County's received favorable media coverage on Fox and Wink news. Links to the media reports will be forwarded to members.

Fox 4

<https://www.fox4now.com/news/local-news/collier-pushing-for-more-cross-county-bus-routes>

Wink

<https://www.winknews.com/2022/01/25/collier-county-looking-into-expanding-public-transportation/>

Staff requested members evaluate the measure of performance indicators objectives and email additional recommendations.

7. Member Comments

Omar Deleon provided the committee with an update on the Regional Study. The scope has been drafted and will be sent to the MPO who will be hiring a consultant to prepare the study which will evaluate the feasibility of regional routing as well as fares.

Omar Deleon also provided the committee about the upcoming implementation of a Paratransit *Ecolane* Service APP. The app will go live on March 1, 2022. Staff has posted flyers on the paratransit buses and sent out Facebook posts to notify the public about the mobile app and its features. With the app, passengers will have the ability to prepay for trips with an account-based system called

CATCash. The account can be set up with cash or check. Credit card functionality will be implemented in Phase 2 of the project. Passengers will also be able to book and cancel trips on the app with their mobile phone or on-line.

Michelle Arnold asked MV to provide an updated on the driver shortage. Richard Ticehurst, MV Fixed Route Operation Manager, informed the Committee that nine (9) bus drivers are in the training program and an additional seven (7) have applied for potential hire if qualified. The increase in driver wages have helped to find a very good pool of applicants.

Omar Deleon introduced Jacob Stauffer who is the new Planner with MV replacing Tamarin Kirby.

8. Public Comments

None

9. Next Meeting Date

March 15, 2022 - Collier County Museum, Lecture Hall, 3331 Tamiami Trail East, Naples, FL.

10. Adjournment

There being no further business for the good of the County, the meeting was adjourned by order of the chair at 3:50 P.M.

Public Transit Advisory Committee

John DiMarco III, Chairman

These minutes approved by the Board/Committee on _____, 2022 as presented _____ or as amended _____.

EXECUTIVE SUMMARY
Reports and Presentations
Item 6a - Technology Improvements

Objective:

To update the committee on technology enhancements, ongoing and completed, for Collier Area Transit (CAT).

Consideration:

The CAT staff has been working around the clock to provide the best riding experience for the passengers and users of the service. As technology evolves, they have stayed ahead of the game by researching and procuring the best technology available to stay up to date with the latest Intelligent Transportation Systems.

CAT completed a technology assessment a few years ago to better understand how their existing technology measured up against the market at the time. The study provided recommendations for upgrades, development and/or replacement of existing technology. The following is an outline of the technology changes that have been completed as well as what is being implemented.

Completed Projects:

- Masabi Mobile Pay, implemented **August 2nd 2020**, provides a contactless fare solution to decrease fare collection time. This new service is an important part of helping to make riding transit as safe as possible by removing the need for passengers to handle cash, physical tickets, or interact with ticketing infrastructure.
- Wi-Fi connectivity, implemented **August 2nd, 2020**, enables our riders to safely connect and surf the web while on our buses.
- Ecolane Scheduling software, implemented **July 15, 2021**, is a replacement to the RouteMatch system previously used for paratransit. The new system is a fully automated, real-time, batch order taking, scheduling, and dispatching software solution that will schedule standard paratransit demand response trips.
- AngleTrax Surveillance Camera, implemented early **January 2022**, is an upgrade/replacement of the existing camera system to have live feed capability, event tagging, download tagging and one unified equipment on board all the buses.
- CATConnect Mobile App, which is a component of the Ecolane software and implemented on **March 1, 2022**, gives passengers and their caregivers more control of their trip planning. Enhancements include:
 - Flexibility to manage trips in real time
 - Simple mobile usability
 - Convenient trip details so that passengers can know where the bus is
 - Established account-based fare pay, where fares are deducted from account when trips are completed

Pending Projects:

- CAD/AVL System: This project consists of the replacement of the current CAD/AVL vendor (Avail Technologies), with a well-proven, turn-key, industry- ITS standard system. The Board of County Commissioners approved the contract with INEO dba Engie, on March 8, 2022, which will allow the replacement of the following components:

- CAD/AVL – Computer Aided Dispatch/Automatic Vehicle Locator.
- MDT - Mobile Data Terminals which allows single log-on for operators.
- AVA - Automatic Voice Annunciation System for ADA compliance.
- APC - Automated Passenger Counters for easy fare collection.
- Integration with the Fare Box solution (currently being solicited) with single sign on capability.
- Integration with Collier Area Transit (CAT) Mobile Ticketing system operated by Masabi with the ITxPT standard.
- Signs, onboard infotainment system.
- Business Intelligence tools for incident management.
- A fully operational schedule software or the ability to integrate with a third-party scheduling module.
- Pre and Post Trip Inspection capability to be integrated on the MDT.
- Integration with Traffic Signal Priority (TSP) to fully automate via the CAD/AVL, utilizing the bus schedule and real time vehicle location.
- Farebox replacement to Genfare is under negotiations. This project will replace the current out-of-date farebox systems, with a newer, more robust solution capable of providing passengers more effective ways to board and pay for their fares.

As the systems are implemented and staff is able to become more familiar with them, an evaluation will be completed to document the enhancements. CAT staff will continue to evaluate its technology (ITS) needs to improve system efficiencies.

Recommendation:

Discussion item, no approval required.

How to Ride

Please have your Smart Card, day pass, or exact fare ready. Sorry, drivers cannot make change. Show driver the pass, ticket or pay the correct fare and ride.

Note: Collier Area Transit is unable to transport large items such as surfboards, large strollers or anything else that would block the vehicles's aisles. Smaller strollers are permitted. Bicycles may be transported using the bike rack located at the front of each vehicle. Pets are not allowed, except for guide/assistance animals.

Arrive at the bus stop five minutes early. Buses operate as close to published timetables as traffic allows.

Transit Notes

Cell phone conversations must not disturb other passengers; speaker phones are prohibited. Out of courtesy to fellow passengers, smoking, drinking, eating, gambling, littering and loud music without headphones are not allowed.

No service provided on the following days:

- New Years Day
- Labor Day
- Memorial Day
- Thanksgiving Day
- Independence Day
- Christmas Day

Reading a Timetable

- The map shows the exact bus route and stops.
- Major route intercections are called time points. Time points are indicated by a number **1**
- The timetable lists major time points for the bus route. Listed under time points are scheduled departure times.
- Reading from left to right, indicates the time for each bus trip.
- The bus picks up and drops off riders at all CAT bus stop signs along the route.

Como viajar

Por favor tenga lista su tarjeta, pase o cambio exacto. Lo sentimos, los choferes no pueden dar cambio. Muestre al chofer su pase, ticket o page la tarifa correcta.

Nota: Collier Area Transit no puede transportar objetos grandes tales como, tablas de surfear, coches grandes u otros objetos que pueda bloquear los pasillos del autobús. Los coches pequeños son permitidos. Las bicicletas pueden ser transportadas en la plataforma localizada en la parte delantera de los autobuses. Los animales no son permitidos, excepto animales de guía/asistencia.

Llegue a la parada cinco minutos antes. Los autobuses operan tan cerca del horario como el tráfico permite.

Notas de Transito

Las conversaciones en el celular no deben interrumpir a otros pasajeros; las bocinas son prohibidas por cortesia a otros pasajeros, fumar, beber, comer, apostar, basura, y musica sin audifonos no es permitido.

Servicio no es disponible en los siguientes días:

- Día de Año Nuevo
- Día del Trabajo
- Día Conmemorativo
- Día de Acción de Gracias
- Día de la Independencia
- Día de Navidad

Leyendo el Horario

- El mapa muestra la ruta y paradas exactas.
- Las intercesiones principales son los puntos de horas. Los puntos de horas son indicados con un numero **1**
- Las tablas de horario indican los puntos principales de la ruta. Debajo de los puntos esta el horario de partida.
- Leyendo de izquierda a derecha, indica la hora para cada viaje.
- El autobús recoge y deja a los pasajeros en todas las paradas señaladas en la ruta.

CAT has routes along most major roads of Collier County and can take you to places like the Coastland Mall, Zoo, parks, beaches and many more. The dots on the maps represent the stops along the routes. For routes or stops near you look at the schedules on the following pages.

CAT tiene rutas que cubren muchas de las calles principales del Condado de Collier y le puede llevar a lugares como el Mall de Coastland, Zoológico, parques, playas y mucho más. Los puntos en la mapa representan las paradas en la ruta. Para las rutas o parads cerca de usted vea los horarios en las siguientes.

About Collier Area Transit (CAT)

Since February 2001, there has been a new CAT in town. The Public Transit System began with servicing only five routes and 324,000 passengers in its first full year. Since then CAT has grown to become a vital element in the quality of life of Collier County citizens.

Purrrmotions

Did you know?

We have upgraded our "Real time" features.

- Now you can plan your trip
- Set up to receive alerts
- Mobile friendly

If you ride the bus twice a day at full fare price, you will reach the cost of a 30 Day Pass in 10 days.

Purrrfecting CAT

- Mobile Pay... Pay from your phone!
Download the rideCAT app from the app Store or Google Play Store to purchase and plan your trip.
- An enhanced website
- We now have Wi-Fi on the buses
- Follow us @rideCAT

Acerca de Collier Area Transit (CAT)

Desde Febrero del 2001, a habido un Nuevo CAT (gato) en la ciudad. El sistema de Transporte Publico comenzó sirviendo solo cinco rutas y 324,000 pasajeros en su primer año completo. Desde entonces CAT ha llegado a ser un elemento vital en la calidad de vida de los ciudadanos del Condado de Collier.

Prrromociones

Sabia usted?

Hemos mejorado nuestras funciones de "Real Time".

8300 Radio Road

Government Center Transfer Station

3355 Tamiami Trail East

EXECUTIVE SUMMARY
Reports and Presentations
Item 6b
Off-Season Schedule Changes

Objective:

To update the committee on the service modifications to be implemented for the off-season schedule change on April 24th.

Considerations:

Staff has created an off-season schedule to be implemented Sunday April 24th, 2022. Many of the changes were in adjusting run times based on the actual run time data recorded on the buses. There are a few notable changes:

- Route 22 has had the last loop removed due to low ridership at the end of the day.
- Route 24 has included more time in each loop to allow our drivers to maintain on-time performance and an additional 5th loop will travel to Sunny Grove.
- Route 25 has adjusted timing to improve connections with Routes 20 and 26.

In addition to updating the route timings, we have also improved the schedule brochure. To make it easier on users, we have identified inbound and outbound portions of each loop, as well as improving the relationship from the timetable to the timepoints shown on the map. There is now a QR code on each page that will direct the user to our mobile app. This will help people convert to digital schedules and ticket purchasing on the app in the future.

Recommendation:

None

EXECUTIVE SUMMARY
Reports and Presentation
Item 6c

YOY Route Performance

Objective:

Present and discuss the changes in ridership over the previous two years. The comparison dates back to the beginning of the pandemic in March 2020, showing where our ridership has changed or improved since the steep drop off when the pandemic started.

Considerations:

Staff will present the ridership for the entire system and each route over the previous two years and discuss the changes that have occurred. Some of the routes are seeing improvements while others continue to show low ridership. There are noticeable ridership changes that have occurred due to the schedule changes this past season. Recommendations from the COA are also reinforced through the data showing low ridership on certain routes considered for consolidation and re-routing.

Recommendation:

None.
