

**Public Transit Advisory Committee  
Collier Area Transit  
Hybrid Meeting  
Collier County Museum Lecture Hall  
3331 Tamiami Trail East Naples, Florida  
June 18<sup>th</sup>, 2025  
1:00 p.m.**

**Agenda Packet**

- 1) Call to Order
- 2) Roll Call
- 3) Approval of Agenda
- 4) Approval of Minutes
  - a. March 19<sup>th</sup>, 2025
- 5) Committee Action
  - a. Membership Application – John DiMarco III & Jake Wayne Bates
  - b. 5307/5339 Program of Projects
  - c. DBE Goal Update
- 6) Reports and Presentations
  - a. Off-Season Schedule Change
- 7) Member Comments
- 8) Public Comments
- 9) Next Meeting Date – July, 16<sup>th</sup>, 2025, Location TBD
- 10) Adjournment

Two or more members of the Board of County Commissioners may be present and may participate at the meeting. The subject matter of this meeting may be an item for discussion and action at a future BCC meeting.

Collier Area Transit operates in compliance with Federal Transit Administration, (FTA) program requirements and ensures that transit services are made available and equitably distributed and provides equal access and mobility to any person without regard to race, color, or national origin, disability, gender or age. Title VI of the *Civil Rights Act of 1964*; FTA Circular 4702.1A, "Title VI and Title VI Dependent Guidelines for Federal Transit Administration Recipients.

Anyone who required an auxiliary aid or service for effective communication, or other reasonable accommodations in order to participate in this proceeding, should contact the Collier County Facilities Management Department located at 3335 Tamiami Trail East, Naples, Florida 34112 or 239-252-8380 as soon as possible, but no later than 48 hours before the scheduled event. Such reasonable accommodations will be provided at no cost to the individual.

# MINUTES OF THE PUBLIC TRANSIT ADVISORY COMMITTEE MEETING

NAPLES, FLORIDA

MARCH 19, 2025

LET IT BE REMEMBERED, the Public Transit Advisory Committee in and for the County of Collier, having conducted business herein, met on this date at 1:00 P.M. in REGULAR SESSION at Collier County Museum Lecture Hall, 3331 Tamiami Trail E, Naples, Florida with the following members present:

Chair:	John DiMarco, III
Vice Chair:	Peter Berry
	Cliff Donenfeld
	Dewey Enderle
	Sonja Lee Samek (Virtual)
	Benita Staadecker
	Open Seat

ALSO PRESENT: Brian Wells, Director, Collier County PTNE  
Omar DeLeon, Public Transit Manager, Collier County PTNE  
Alexander Showalter, Senior Planner, Collier County PTNE  
Leslie Barnes, General Manager, MV Transportation  
Elena Ortiz-Rosado, Events, Sales and Marketing Coordinator, PTNE  
Jacob Stauffer, Transit Planner, MV Transportation  
Wally Blain, Consultant, Benesch

**1. Call to Order**

**Chair DiMarco** called the meeting to order at 1:00 P.M.

**2. Roll Call**

Roll call was taken, and a quorum of four was established.

**3. Approval of Agenda**

*Ms. Staadecker moved to approve the Agenda as presented. Second by Mr. Enderle. Carried unanimously 4 - 0.*

**4. Approval of Minutes**

*Ms. Staadecker moved to approve the minutes of the January 15, 2024, Public Transit Advisory Committee meeting as presented. Second by Vice Chair Berry. Carried unanimously 4 - 0.*

*Ms. Samek joined the meeting at 1:04 P.M.*

*Ms. Staadecker motioned to allow Ms. Samek to participate in the meeting as a virtual participant. Second by Vice Chair Berry. Carried unanimously 4 - 0. A quorum of five was present.*

**5. Committee Action**

**a. Zero Emissions Vehicle Transition Plan**

**Wally Blain, of Benesch**, presented the Executive Summary “Zero Transmissions Vehicle Transition Plan” to the Committee noting:

- CAT Staff and the MPO retained consulting firm Benesch to complete a Zero Emissions Vehicle Transition Plan.
- The study was completed as a prerequisite to apply for federal grant funding related to alternative fueled vehicles.
- The Plan evaluates the implementation of battery electric and other alternative fueled vehicles into the CAT fleet.
- The Plan proposes a three-phase implementation aligning with the purchase of CAT’s latest electric bus and evaluating the usefulness of the technology for CAT’s future fleet.
- The goal is to provide a path forward to include these vehicles into CAT’s everyday fleet in a cost-effective and operationally efficient manner.

**Market Trends and Service Expansion**

- CAT has 64 vehicles and 1 electric bus, 16 fixed routes servicing a population of 385K people.
- The national trend over the past 15 years indicates that use of diesel fueled vehicles has declined from 70% to 45% - 50%.
- Peer Agencies within Florida were interviewed to gain knowledge of their experience with alternative fuel vehicles.

*Mr. Donenfeld joined the meeting at 1:13 P.M. A quorum of six was present.*

### **Feasibility Analysis**

The plan outlines four scenarios for Fixed Route performance and cost and three scenarios each for Demand Response and Support Vehicle performance:

#### Fixed route Vehicles

1. Least Harmful Emissions: Diesel, Battery Electric, Hybrid
2. Optimized Vehicle Function: Diesel, Battery Electric, Hybrid, Compressed Natural Gas
3. Balanced Approach: Diesel, Battery Electric, Hybrid, Biodiesel
4. Lowest Capital Cost: Diesel, Biodiesel

#### Demand Response Vehicle

1. Balanced Emissions and Costs: 75% Gasoline, 25% Compressed Natural Gas
2. Lowest Capital Cost: Diesel, 75% Biodiesel
3. Strong CNG: 25% Biodiesel, 75 % Compressed Natural Gas

#### Support Vehicles

1. Lowest Emissions: 100% Electric Vehicle
2. Lowest Capital Cost: 33% Gasoline, 67% Electric Vehicles
3. Strong CNG: 67% Gasoline, 33% Electric Vehicles

### **Implementation Plan**

#### Phase in with a pilot application.

- Phase I: BEB (Buy Electric Vehicle) Pilot Plan (2025-2029)
- Phase 2: BEB
- Phase 3: Hybrid Pilot (2032 – 2034)

#### Facility Assessment

- CAT Operations Maintenance Building.

#### Workforce Assessment

- Transition diesel mechanics into alternative fuels without displacing workers.

### **Stakeholder Input and Recommendations**

Improve communication and underserved area access and focus on operational efficiency and connectivity.

### **Next Steps**

- Develop UF/IFAS Lehigh Acres route.
- Expand Park and Ride and Trolley Services.
- Implement MOD and FMLM pilot projects.

### **Approval Dates**

- April 11, 2025: Metropolitan Planning Organization (MPO) Advisory Committee presentation.
- April 22, 2025: Board of County Commissioners (BCC).

### **Responses to Committee Member Comments:**

- The estimated life span for vehicle batteries is twelve years or a useful life of a bus.
- Two charging stations will be located at the CAT Administration Building.
- AI technology is not being utilized currently.
- Diesel vehicles should be available for use during emergencies/extreme weather conditions.

- Public input in the process included workshops and digital surveys.

Recommendation

*Vice Chair Berry motioned to approve the Collier Area Transit Zero Emissions Vehicle Transition Plan to the Metropolitan Planning Organization Board and the Board of County Commissioner for approval. Second by Mr. Dewey. Carried unanimously 6 – 0.*

**6. Reports and Presentations**

**a. Paradise Beach Trolley**

**Mr. Showalter** presented the Executive Summary “*Collier Area Transit Paradise Beach Trolley*” to the Committee. He noted:

- Service commenced on President’s Day weekend, February 14<sup>th</sup> – 17<sup>th</sup>, and will last until April 27, 2025.
- The service consists of a free trolley traveling in a loop from Delnor-Wiggins Pass state Park to Vanderbilt Beach stopping at Conner Park in between.
- Operational hours are 8:00 a.m. to 3:00 p.m., then again from 4:30 p.m. to 7:00 p.m. Friday through Sunday with a twenty-minute frequency.
- Additionally, Paradise Beach Trolley service will run the week of spring break (March 10<sup>th</sup> – 14<sup>th</sup>) and the week leading up to Easter (April 14<sup>th</sup> – 18<sup>th</sup>).
- CAT plans to continue to provide this successful service annually.

Committee Comment Responses

- The first weekend of service was one of the biggest opening weekends.
- Spring break ridership declined 2025 over 2024 due to poor weather conditions.
- The 3:00 p.m. to 4:30 p.m. service break provides an opportunity for personnel to have lunch. Typically, there is a lull in passengers at this time.

**b. Major TDP Update**

**Mr. Showalter** presented the Executive Summary “*Update on Transit Development Plan (TDP) Process*” to the Committee. He noted:

- The TDP process identifies recommendations and implementation strategies to achieve the goals and objectives of Collier Area Transit.
- To receive State Block Grant Funds for system operations, each transit agency must develop a Transit Development Plan (TDP) Major Update every five (5) years.
- The TDP is a ten (10) year plan for transit needs, cost and revenue projections, community transit goals, objectives, and policies.
- The TDP serves as a planning, development and operational, guidance document.
- TDP Components include:
  - Mission, Goals, and Objectives – Overall purpose, specific, achievable targets, and actions to reach the goals.
  - Situational Appraisal – Identifying and addressing concerns.
  - Recommended Network Changes – Service Improvements and New Service.
  - Financial Element – Alternative funding sources required to implement initiatives.
  - Public Outreach – Public Surveys and Workshops, and Stakeholder interviews.
- The major update is developed in coordination with the Metropolitan Planning Organization’s (MPO) long range transportation plan.

- Collier Area Transit staff have been working with the Consulting Team of Stantec and MPO Staff to update the plan.
- The consultant produced consistent updates to each section of the TDP and completed public engagement workshops and presentations.
- MPO and CAT Staff's feedback and comments have been incorporated into the documents.

Approval Process Key Dates 2025

- June 1 - Final Proposed TDP
- June 13 - Submission to MPO Board
- June/July - Submission to the Collier Board of County Commissioners

Comments

**Mr. Showalter** responded to queries:

- Venues to inform the public about proposed system changes include the County website, the County Commissioner newsletter, and Public Workshops. Additional Social Media venues will be researched.
- Suggested roadway network improvements such as integration of HOV lanes and lane restriction access for commercial trucks will be submitted to the MPO for evaluation.
- A light rail system (LRT) has not been considered for County transportation.

**7. Member and Staff Comments**

**Mr. Showalter** introduced Leslie Barnes, General Manager of MV Transportation. Ms. Barnes shared her credentials with the Committee.

**8. Public Comments**

None

**9. Next Meeting Date**

April 16, 2025 - 1:00 P.M.  
Collier County Museum Lecture Hall  
3331 Tamiami Trail E  
Naples, FL. 34104

**10. Adjournment**

**There being no further business for the good of the County, the meeting was adjourned by the chair at 1:33 P.M.**

**Public Transit Advisory Committee**

---

**John DiMarco III, Chair**

These minutes approved by the Board/Committee on \_\_\_\_\_, 2025 as presented \_\_\_\_\_ or as amended \_\_\_\_\_.

**EXECUTIVE SUMMARY**  
**Committee Action**  
**Item 5a**  
**Membership Applications – John DiMarco III, Jake Bates**

**Objective:**

To obtain recommendation of renewal for John DiMarco and recommendation for Jake Wayne Bates to join the Public Transit Advisory Committee (PTAC).

**Considerations:**

PTNE staff submits for the Public Transit Advisory Committee consideration, an application from John DiMarco III, to renew membership on PTAC. Mr. DiMarco has previously served on PTAC and looks to continue his tenure on the board.

This applicant has been evaluated based on the potential and previous contributions to the PTAC and are recommended on those criteria to be eligible for the committee.

Based on John DiMarco's experience with the Fixed Route and Paratransit services, he has been, and will continue to be an asset to this committee by providing feedback and advice to staff and vendors on improving transit operations and efficiencies in Collier County.

PTNE staff also submits for the committee's consideration, an application from Jake Wayne Bates, to join PTAC. Mr. Bates is a UCF graduate with a bachelor's in both economics and anthropology. Mr. Bates has a history of community service, positioned as the Community Service Chair for 3 years for Alpha Tau Omega Eta Rho Chapter at UCF.

Applicant	Affiliation	Term	Status
Jake Wayne Bates	None Specified	3 years	Resident
John DiMarco III	System Rider	3 years	Resident

**Recommendation:**

That the PTAC recommend that the Board of County Commissioners approve the renewal of membership for John DiMarco to the PTAC and recommend membership of Jake Wayne Bates to PTAC at their next available Board meeting.

**Attachments:**

PTAC Applications

Prepared by:   
Alexander Showalter, Planner II

Date: 6/13/25

Approved by:   
Omar DeLeon, PTNE Transit Manager

Date: 6/13/25

**EXECUTIVE SUMMARY**  
**Committee Action**  
**Item 5b**  
**Endorsement of the Federal Transit Administration (FTA)**  
**Section 5307 and Section 5339.**

**Objective:**

To inform the PTAC of the Program of Projects for the Federal Transit Administration (FTA) Section 5307 & 5339 grant application submittals.

**Considerations:**

Each year the Public Transit & NBHD Enhancement (PTNE) Division receives federal grant funds for the management of the Collier Area Transit (CAT) system under the Urbanized Area Formula Program (49 U.S.C. § 5307) to be used for transit capital projects and operating assistance as defined by the Federal Transit Administration (FTA).

Collier County is located within the Bonita Springs/Naples Census Urbanized Area; therefore, a portion of the Section 5307 funding received is shared with Lee County. The amount allocated to the Bonita Springs/Naples Urbanized Area for USC Section 5307 Urbanized Area Formula Program is \$7,119,688. The portion of the grant funds awarded to Collier County is \$5,470,056, \$113,915 to FDOT, and the remainder of \$1,535,717 would be distributed to Lee County.

Projects proposed for the appropriated funding may include, as funding permits: (1) transit improvement projects which include the improvement of bus stops; (2) security and safety enhancement; (3) replacing Intelligent Transportation Equipment; (4) provision of Americans with Disabilities Act (ADA) Paratransit services; (5) funding for the maintenance and operations facility; (6) preventative maintenance; (7) and Fixed Route and Paratransit operational expenses.

Section 5339 program provides capital assistance for new and replacement buses, related equipment, and facilities. For urbanized areas with populations of 200,000 and over, funds are apportioned and flow directly to a designated recipient. Collier County is the designated recipient for the urbanized area. The amount allocated to the Bonita Springs/Naples Urbanized Area for USC Section 5339 Bus and Bus Facilities Urbanized Area Formula program would be \$502,127.

Project proposed for the appropriated funding may include, as funding permits: (1) funding for the maintenance and operations facility.

**Recommendation:**

Endorsement of the 5307 & 5339 POP

**Attachment:** FTA Section 5307, Section 5339 Program of Projects

**EXECUTIVE SUMMARY**  
**Committee Action**  
**Item 5c**  
**Disadvantage Business Enterprise (DBE) Goal FY26 to FY28**

**Objective:**

The endorsement of the Disadvantaged Business Enterprise (DBE) Goal for Collier Area Transit (CAT).

**Considerations:**

The Collier County Board of County Commissioners (Board) receives Federal financial assistance from the Federal Transit Administration (FTA) and the Florida Department of Transportation (FDOT), and as a condition of receiving this assistance, the Board must comply with Title 49 of the Code of Federal Regulations (C.F.R.), part 26. The Board is required to have a DBE program in accordance with regulations of the United States Department of Transportation, as provided in Title 49 of the C.F.R. A DBE Program ensures that DBE's have an equal opportunity to receive and participate in FTA and DOT assisted contracts by ensuring non-discrimination in award and administration of those State and Federal contracts.

As part of CAT's DBE Program and a requirement of Title 49 CFR part 26, every three years a goal is to be established. It is time for Collier Area Transit (CAT) to re-establish its goal which will be in effect for FY26, FY27, and FY28. CAT utilized a goal setting method, which included Census data and the DBE directory, approved by United States Department of Transportation (USDOT) to establish the goal.

As part of the outreach process, CAT will host a workshop to discuss the DBE Program, the methodology for establishing the goal, and information on the solicitation process, including how to register and bid on projects. The goal will also be published and available for public comment for 30 days.

**Recommendation:**

That the PTAC endorse the established DBE Goal for FY 26 through FY 28.

**EXECUTIVE SUMMARY**  
**Reports and Presentations**  
**Item 6a**  
**Off-Season Route Changes**

**Objective:**

To update the committee on the service modifications implemented with the off-season schedule changes in effect since April 27<sup>th</sup>, 2025.

**Considerations:**

As traffic and travel patterns change, we have implemented changes across multiple Collier Area Transit routes. As part of the process and to ensure public is properly notified in advance of the changes, the proposed schedule modifications were distributed throughout the community and posted on social media as well as on RideCAT.com.

Many of the changes being implemented this off-season are an effort to improve the On-Time Performance of our fixed route service. With many changes implemented over the past few years, we have collected data on the run times and asked drivers for their input, resulting in adjustments to the timepoints to give riders a more accurate estimation of when the busses will be at their stop and provide adequate time to drivers to remain on schedule.

The only significant route changes, outside of timepoint adjustments, are related to the Route 24 and Route 27. Route 24 has removed the farthest western portion of the route and will now turn around at Charlee Estates rather than travelling out to Six L's Farm. This change allows more frequency along US-41. For route 27, we have removed the Livingston Park and Ride location from the path, as very low ridership deemed the time taken to serve the stop unnecessary.

Changes have been published with our updated paper schedule, on RideCAT.com, and have been updated through the app.

**Recommendation:**

None.

### How to Ride

Please have your Smart Card, day pass, or exact fare ready. Sorry, drivers cannot make change. Show driver the pass, ticket or pay the correct fare and ride.

**Note:** Collier Area Transit is unable to transport large items such as surfboards, large strollers or anything else that would block the vehicles's aisles. Smaller strollers are permitted. Bicycles may be transported using the bike rack located at the front of each vehicle. Pets are not allowed, except for guide/assistance animals.

Arrive at the bus stop five minutes early. Buses operate as close to published timetables as traffic allows.

### Como viajar

Por favor tenga lista su tarjeta, pase o cambio exacto. Lo sentimos, los choferes no pueden dar cambio. Muestre al chofer su pase, ticket o pague la tarifa correcta.

**Nota:** Collier Area Transit no puede transportar objetos grandes tales como, tablas de surfear, coches grandes u otros objetos que pueda bloquear los pasillos del autobús. Los coches pequeños son permitidos. Las bicicletas pueden ser transportadas en la plataforma localizada en la parte delantera de los autobuses. Los animales no son permitidos, excepto animales de guía/asistencia.

Llegue a la parada cinco minutos antes. Los autobuses operan tan cerca del horario como el tráfico permite.

Passes can be purchased at the locations listed below:

Los pases pueden ser comprados en los lugares debajo mencionados:
